ENTER THE WORLD OF CHILDREN WITH DISABILITY NZ

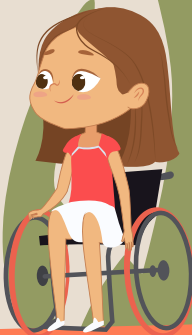

At our core, we're all about spreading infinite happiness to the little ones, especially those who need extra support in New Zealand. Our sights are set on filling in the gaps for disabled children, starting with Northland.

Our mission? Simple yet mighty: to create a world of inclusivity that'll make the rest of the country green with envy. We're all about crafting amazing adventures, not just for the kiddos but for their parents and siblings too.

Our ultimate goal? To unite families and build a community that thrives on togetherness.

Our Sponsors

Get ready for some serious do-gooding! Our mission: to improve the lives of disabled children. We're all about spreading the word far and wide, from online to Facebook to printed materials, and beyond. Plus, our sponsors get to be superstars, supporting a truly worthy cause.

OUR FIRST WHEELCHAIR SWING NOW IN WAIPU NORTHLAND

Our mission to uplift children with disabilities in New Zealand goes way beyond just building playgrounds.

We're on a mission to smash social barriers and open doors to new opportunities. And to make all this happen, we need our squad of sponsors to keep us going strong. Our charity, Children with Disability NZ, is breaking new ground with e-books that educate and inspire.
